POINTS FROM THE PREACHER

Dear Friends:

Over the past several months, God has given me the opportunity to be a part of some glorious revival meetings. As a result, I have had the privilege of seeing many souls come to faith in Jesus Christ.

In addition to preaching week after week, I have, for a second year, been serving as chaplain of the Tennessee State General Assembly in Nashville. This often gives me the pleasure of ministering to state lawmakers as they enact legislation. In fact, while there recently, I had the opportunity to meet Tennessee Vols football coach Phil Fulmer.

Were it not for your prayers and faithful support, it would certainly not be possible for me to share with others that Jesus saves. Therefore, continue to pray that He will give me numerous opportunities to share the gospel and that people will keep trusting Him as Savior and Lord. Blessings!

Bro. Blake
